A Slew of Schoolgirls

Dear Virgin Territory,

Just writing to let you know that the hardcore Back to School issue was one of the best teen magazines I have ever seen. Everything I've requested when writing to you in the past was in it. School uniforms in teen mags are superb. This issue had everything—an abundance of white knickers; long, white, over-the-knee socks; young blondes in glasses;

seated open-leg panty shots; etc. It has proven to me that your publication listens to its readers. I love young blondes in school uniform wearing glasses and reading books. Like I said, it really made my day. I don't know whether it's what other readers want, but I'd love to see a young blonde, even maybe Candy, with lovely, long hair wearing a full school uniform taking on someone say in their 40s or 50s, or taking on two enormous black guys. Anyway, full praise again for you and I hope we don't wait another year until the next school uniform issue. Thanks.—J.N., England, United Kingdom

Dear J.N.,

*We do listen to our readers!
And one of the things they
have consistently
requested is

uniforms, so we did our best to deliver that in the Back to School issue. Your suggestion for a uniformed blonde taking on an older gent's cock sounds hot. We'll keep it in mind.

Zesty for Zoey

Dear Virgin Territory,

Zoey from the Nov. '13 issue is absolutely adorable. I can't wait to see what she has in store for us. The photo of her pulling down her bottoms and looking over her shoulder is cover material. That tight, little butt of hers looks ripe for a spanking! And I would love to let my hands roam all over that curvy body of hers and feel up on her little tits. I hope we can see her taking a cock soon. She looks like she's a great fuck, and I would love to see that little pussy filled up and that pretty face covered in cum.—N.B., Charlotte, North Carolina

Dear N.B.,

Zoey doesn't do hardcore with guys, but you can see her in a hot lezzie three-way in the Jan. '14 issue. Order it on page 11.

An Outie Fan

Dear Virgin Territory,

I can't even begin to express how much I loved and appreciated the amazing "Outie issue" in Dec. '13. To me the vaginal lips are the very essence of a beautiful woman and even more heavenly for a pretty, sweet and innocent 18-year-old where they have so recently ripened and blossomed into their full glory.

**Zoey's twat
is an outie

Most of us would confess that for every little cutie that you feature, we imagine before she peels off her panties what her delicate labial flower will look like. The figurative definition of a flower is "the best and choicest part." Many would claim that the flower is the most perfect and beautiful symbol of all creation, and that the rose is the finest of them all.

Every girl can open her legs to reveal her own inimitable carnal womanly rose; unfolded it is even more exquisite and wondrous than nature's finest blossom. I love the way each girl you feature is lured out of her panties and lays bare to us all her most intimate place. Every cunny is so unique and beautiful; the shape and size of her succulent fleshy petals will define her. A consequence of genetics or the masterful creation of a higher power well how's that for an unfathomable question?

I must admit that personally I adore more than anything else a girl with a huge, oversized pair of meaty fanny flaps. There is a gorgeous model on the Internet called Dominica with the most immense labial flanges imaginable. They look like elephant ears hanging from her slit. But far from embarrassed she seems incredibly proud to display them for my immense pleasure.

It reminds me that one of life's greatest experiences is to delicately peel open an oversized pair of wet,

glistening labial lips, then sensuously tease, lick and caress them with my mouth and tongue, stretching wide open the girl's fleshy petals and pleasuring them until she is literally begging to be shafted!

So thank you so much again for so elegantly showcasing such a wondrously diverse collection of labial flowers in your Meaty Mounds special. From cuties like Kiera with tiny, delicate, little, peek-a-boo outies to the amazing Alice with her colossally thick and meaty ham sandwich! But my favorite is the cute, sweet and completely delicious Zoey. With an innocent smile on her face and her ankles behind her ears she completely exposes her perfect, crinkly meaty flanges, neatly stuck together, hiding her clitoris and lady hole below. She is truly magnificent!

So yes, the "Lady Rose" really is "the best and choicest part" and the most beautiful creation in all the universe; each lovely girl so peerless and unique—her delicate, soft, fleshy petals sculpted with the same perfection as nature's most beautiful rose.—J., England, United Kingdom

Dear J.,

Thank you for the lovely letter! We too are fans of big, juicy pussy lips. They give you something to hold on to with your lips! Here's a photo Zoey's nice, meaty cunny for you. Enjoy!

Ginger Lust

Dear Virgin Territory,

You should have more redheads in every issue like Cameron. Ones with freckles and tiny tits. If I saw Cameron walking down the street I would give her the once over twice. Her smile is so magnetic and her body is a playground I would love to explore. Could you please run a photo of her with a nice pussy shot? I couldn't see it too close-up in her pictorial. I am super attracted to redheads. The more, the better. Also I love to see their red pubes. It makes me want to squirt all over that firecrotch! Thank you and have a nice day.—R.P., Pittsburgh, Pennsylvania

Dear R.P.,

Check out Ava on page 78. She has red hair and red pubes!

Imagine sticking your face between Kelly's pussy flaps.

Up-Close with Kelly

Dear Virgin Territory,

I thought Kelly from the Nov. '13 issue was pretty cute and deserved more than a six-page layout. Although I must say even for six pages, her photo selection was excellent. Especially the full-page photo on page 71 with her lying down with her panties pulled up and her meaty pussy lips splayed open. It's like you're right there with her, getting ready to munch on that delicious twat. Her flappy pussy really turns me on. In fact, all of her turns me on,

but that pussy is something else. Thanks for the wonderful girl.—K., Sacramento, California

Dear K.,

Kelly is totally a cutie. Turn to page 7 for a photo of her and her juicy pussy!

Roxanne on Her Own

Dear Virgin Territory,

I thought Roxanne from Nov. '13 was pretty cute, but I don't think I've seen her in solo photos. Would it be possible to run a solo pictorial of her? I would like to enjoy her just on her own. The hardcore was nice, but I'm one of those guys who prefer no cocks in photos. I like girls in

glasses and Roxanne looked cute in hers. She has a great body that should be showcased in its own solo pictorial. I wish I could have seen more of her pretty face. While I appreciate a girl's face while she's moaning and enjoying a moment of lust (which is the expression that Roxanne had in most of her photos, this being a hardcore pictorial and all), I do like to see her smile and just look natural. So please, give us more of Roxanne in a solo pictorial so I can enjoy every inch of her!—V.T., via email

Dear V.T.,

Roxanne was in a solo pictorial in the July '13 issue of 18eighteen. Order a copy on page 11.

The Dick-Hardening December Issue

Dear Virgin Territory,

I just wanted to write and say thank you for all the hot teen pussy in your December issue! It looks like the girls keep getting hotter and hotter cause my dick definitely gets harder and harder looking at them. Mery was an awesome flattie to encounter from the start. I don't think she could ever look anything but genuinely fuckable. I love the pic on page 35 with her legs up in the air like she's sayin', "Cum and get it!" I really want to cum inside that hairless snatch and maybe cum again on her flat titties.

Fuckin' in a bunk bed brings up lusty nostalgia.

Remember lying awake in your bunk bed, thinking about pussy and trying to conceal your hard-on (and possibly your masturbation) from your bunkmate? Imagine how your younger self would feel to know you'd one day fuck a hottie like Cara in your childhood bed! That was our inspiration to get this cutie to bang in the bunk.

Another benefit of bunk-bed boning? Exhibitionism and voyeurism!

"I think it can be fun to fool around in a bunk bed. But it'd be even hotter if someone were in the top bunk while I was on the bottom with a guy, and we had to try to fuck quietly so the person on top wouldn't know. Actually, it would still be hot if they did know and were jacking off to us." We appreciate the fantasy, but Cara didn't have to be quiet or hide anything during this bunk-bed fuck-session. She bounced her ass till the bed was creaking and moaned and giggled all the way to the creamy end.

The exotic ginger of your dreams!

The bed-head hair, freckled nose and cheeks, seductive eyes and those juicy tittes...Red is a flaming-hot Euro sexpot!

Who needs words when you have body language?

Red is from the Ukraine and doesn't speak much English, but we can still read her like a book. She knows she's hot, and she likes to fuck. Her poses and looks lead us to believe that she's quite the sex kitten in the bedroom, in addition to the few things she told our photographer: "I am addicted to sex. I want to have it all the time. I like modeling because I know I have a nice body and a nice pussy. I want people to see it."

HEIGHT: 5'6" **WEIGHT:** 120 lbs.
BRA SIZE: 34C **BORN:** Sept. 5
LIVES: Kiev, Ukraine

It's a pussy to admire.

We wish Red hadn't shaved so we could see if the carpet matched the drapes, but we still love a bald pussy! Red's not afraid to show off her meaty, dark pussy lips. And just look at how tight her hole is in the photo to the right.

Red hair, purple pussy lips...

Make for a mouth-watering combination. And speaking of mouth-watering, Red says that she loves when a guy sucks on the juicy peach between her legs. "I love it the most when a guy gives me oral. I will cum so hard from that, and it makes my pussy so wet!"

New look!
Fuckin' hot!

VIRGIN TERRITORY

Continued from page 8

that followed her pictorial though was amazing. I like all kinds of pussy, but these were especially tasty looking. Maybe it's 'cause all the girls you picked were sexy as fuck though. Kiera is super cute. Alyssa has a gorgeous cunt I want to eat for breakfast, lunch and dinner. Zoey and Morgan

Jade's perky, little tits bounce when she goes for a cock-ride.

look like they could be sisters.

Other pictorials I enjoyed and came hard to were Natalie's and Jade's. Ava's was okay, too. I've whacked off to her plenty before, and it was surprising to see her with a MILF.

Jade's XXX pictorial was the best of all for me. I love seeing teen babes with cock in their mouths. I wish you guys woulda taken some pics of her licking the shaft and balls, too, but I'll take what I can get. She's got really nice, puffy nipples I'd love to pinch and bite. I jerked off hard and fast a few times to the pics of her getting nailed on pages 93 and 94. I came all over both pages and pictured fucking her brains out. It was awesome. I also jazzed on the next page where her pretty, young face is covered in jizz, too. What a perfect shot!

Thanks for making another perfect issue!—D.F., Seattle, Washington

Dear D.F.,

Glad we could provide you with some quality jerk-off material. We're sure you'll enjoy Mery (page 8) and Jade (above). 18

Lia is a native Floridian who likes to soak up the sun.

"I dress like a total Florida girl...tank tops, sandals, shorts. That is, when I'm wearing any clothes at all. I've kind of become a nudist. Being in such a hot place will do that to you. Sometimes it's just plain ol' too hot to wear any clothes! And well, being naked is just one step closer to having sex." And the closer Lia can come to having sex, the better! She says that she likes to fuck more than four times a week and cums best from being on top. "Even if no one is around, I get horny when I'm naked. I just start touching myself and the next thing I know I'm totally masturbating."

**If being
naked
makes her
horny, that
means she
was horny
in these
photos!**

But just to be sure, we asked her. "Well, I'm always horny pretty much. But yes, I'm horny right now," Lia told us. "I'm ready to cum all over a big cock!" Lia didn't have to wait much longer for that to come true. While she was in the studio we hooked her up with a big-dicked stud to fulfill all her teen fantasies. "I got fucked really good, and I loved doing it for the camera. I was nervous at first but relaxed after my first orgasm."

HEIGHT: 5'3" **WEIGHT:** 115 lbs.
BRA SIZE: 32B **BORN:** Oct. 24
LIVES: Tampa, Florida

Are you more into giving or receiving oral, Lia?

"Both! Oral is really important. I love it so much! One of my favorite things to do is 69. I get so turned on having a guy sucking on my big pussy lips and feeling his hard cock in my mouth. I like to be on top and feel his face buried in my folds while I try to take his dick all the way down my throat."

Those socks are pretty wild, but Sapphire has good reasons for wearing them.

"Guys like knee-high and thigh-high socks, so I always try to wear them when I go out. I notice that I get checked out way more when I dress like that. I think it's 'cause socks brings their attention to your thighs, and well, you know where their thoughts go from there. Exactly where I want them to...to sex!"

HEIGHT: 5'3" **WEIGHT:** 115 lbs.
BRA SIZE: 34B **BORN:** Aug. 11
LIVES: Lincoln, England

She's a sock-clad seductress!

"I think nothing screams 'open for business' quite like a pair of bright socks. That's why I wear these red striped ones. They really stand out. And yes, my legs are open for business. And that business better be a big, hard cock that's ready to fuck!"

LET'S HEAR IT FROM THE BOYS

He waits for the best ones to roll in and when they do, Roman shares them with you.

By Roman Lewis

Shit, I'm a writer for a living and I'll be the first one to admit it. Sometimes my girlfriend has to pry, prod and lure the intimacies out of me. Generally she uses her body, which works—she is smarter than I am; I'll be first to admit that, too. But yeah, more often than not, it's women who write in looking to share their sexy confessions. And we like that. So keep the letters coming, ladies.

But here's the interesting part: if you call the same exact thing something manlier—like say, put out a call for stories with **BIG COCK BRAGGING RIGHTS** in big letters at the top—you will get a larger-than-usual influx of letters from dudes trying to out-dick one another because they imagine I'm going to send them a golden hard-on trophy for their man cave or something.

We are neither the fairer sex nor the brighter one, gentlemen. You have all been punked. But I thank you for the eloquent write-ins. I got mail from postal workers and truck drivers, dentists and small-business owners—all kinds of guys (some with better written communication skills than others) who sent stories of brave conquests, of tight, wet, teen pussy conquered. And by conquered, I mean properly kissed and cuddled, licked, sucked and fucked and sent to bed happy with a teddy bear and a glass of milk.

To the two I chose: nice going, gentlemen. Your dreams of writing a story for a porno mag have come true.

Don't get me wrong. I love hearing from the ladies on the topics generally covered in *18*eighteen. It's riveting when they discuss their first times performing—and enjoying—various acts, describing the sounds, smells, tastes they encounter, telling me in vivid detail about the sepias, pinks, purples and various stages of slick and/or fuzzy I might encounter in getting to know the sweet treasures of their nether regions. I may be getting a stir about the Levi's right now just mentioning it, in fact.

Alas, the men are not afforded near

the voice I'd like to see. But don't blame the publishers of this fine mag, good sirs. You must realize that I get a fraction of the letters and emails some of our other writers do. Why? Well, clichés are often based in fact.

Despite being the primary consumers of adult entertainment, men are not nearly as emotive, expressive or interested in sharing and communicating their desires. We are largely cavemen, happy to let other people—"...you'll be fine sweetheart, dance around a little and take your top off while you tell me about that one time at band camp."—do the dirty work for us. "And don't judge us. We work hard all week."

I have to laugh. Those guys are my people, my readers.

You have done me and all your fellow readers—who will now commence to jerking it to your personal pussy crusades—proud. Consider the many, many loads your tale will henceforth inspire as the liquid equivalent of that trophy you wanted. Next on the agenda: a cure for cancer. Get to it. And thanks for sharing.

BREAK FLUID

"You sure do like that energy drink," she said.

"I drive a cab," I said. "It's a long shift. I've gotta stay up."

She giggled. "Yeah, I always kinda figured that."

"Pardon?" Did the hot Latin chick who works at the gas station mini-mart just blatantly throw a flirty, dirty joke at me?

"I said, 'I always figured you had a big ol' dick.'"

"How old are you?" I asked her, smiling. She was bold.

"Nineteen. You wanna see my ID, officer?" She flipped up her work badge. There was a driver's license in there behind a piece of foil-wrapped gum. The pic looked vaguely like her, but I didn't scan it.

"You know, the light's better in the back seat of my cab," I said, thinking that would be the absolute end to this dangerous game of sex chicken she was playing.

"I get off at two," she parried. "Hopefully twice. See you then." She went back to restocking the fridge. Game, set, match.

She was waiting outside when I pulled up at 2:04. She hopped into the back without prompting.

"Where to, miss?" I said, tipping an imaginary cap. I doubt she'd get the oldies movie vibe I was throwing, but it amused me nonetheless.

"Wherever you can get back here with me fastest," she said. "You're a cabbie. Don't you know all the good places to fuck?" She punctuated the statement by putting her underwear—dark lace, I couldn't tell the color for sure—in the plexi-glass money slot and slamming it shut. It jettisoned gracefully onto the antenna of my radio handset.

"Right away, miss," I said, pulling into a section of the park many cabbies used for counting receipts. It was frequented regularly by patrol cars

and therefore safe. If we got caught, well, it's likely they'd just laugh. I'd double-check that ID when I got back there with her. And I smiled at the thought, throwing it into park.

"What's your name?"

"Rosalie," she said, kissing me. She had full lips. And she'd been chewing that gum. Minty. Very nice.

"Lemme see that ID again, kiddo," I mused, flipping it up. 1993. Safe. Then I kissed her back. Her denim mini was already hiked to just above her slim waist—caramel skin, bald pussy. A tiny red jewel dangled from a ring in her navel.

"Ruby?" I inquired, sitting back as she bent and unzipped me. Her hands were smooth and cold around the heat of my rod. Her mouth was searing and hot as she swallowed me, working my dick in and out, all the way down into her throat.

"Rosalie," she said, in between slurps. "Not Ruby."

I smiled. She was funny. And then gone. My cock chilling in the autumn air of the cab—the back windows were cracked to prevent distracting fog in the event the coppers came rolling through. Her saliva was turning to steam. It rose off my shaft hypnotically and then disappeared as she climbed into my lap, bracing her hands on the headrest, impaling herself on my dick. It was like that miserable-blissful moment when you're forced out of the timed Jacuzzi to turn the bubbles back on, then slip back into the hot heaven of the water.

"Rosalie, I think I love you," I said.

"Shut up," she snapped playfully. "The meter is running."

I forced my cock up into her as my hands forced her hips down. She gasped, leaning back, pressing harder. My dick was in her pussy, her belly, her throat. She purred, rising and falling and pressing and squeezing, reaching behind, tickling my balls. She felt me close and hopped off—amazing what a lithe, petite body can accomplish in the backseat of an unremarkable four-door sedan—and clamped

her mouth 'round my Johnson, sucking it, licking it, massaging my sac, now coated with her cream. And then I came what felt like great jets of liquid into her throat. I could feel it collecting in the back there against my pulsing head before the tonsils bathed me and it disappeared down like so much latte on a Monday morning at Starbucks. She took it all, then daintily wiped her beautiful lips with the edge of my t-shirt.

"That was lovely," she said. "Is it my turn next?"

I kissed her, enjoying the way her engagement ring glinted in the glow of the streetlight outside. It was this detestable second job that helped pay for it. Some nights, though, it wasn't really so bad.

"When we get home. You're too classy to cum in a cab."

"I bet you say that to all the girls."

AMERICAN PIC

She was his version of the blonde from *American Beauty* for so long. The neighbor's daughter. It doesn't get more teen-classic than that. He watched her grow from child to young woman and one day, she waved at him. He was standing on the porch, calling the dog in from the yard. She was out at her family's mailbox, her backpack over one shoulder, a clutch of letters in her raised hand.

"Hi, Mr. Johnson!" she chortled, tons of cheerleader energy wrapped in pink ribbons.

He glanced over. Squinted. Squinted harder. It had been a while since he really LOOKED at her. Jesus, was that Kelly?

He raised a shell-shocked hand slowly—the other holding the screen door open as Mac made his way in

from doing his business on the Crocuses—holding that hand high and steady, and smiled.

She smiled back and then—was he mistaken?—did that coy, shy, cute thing when girls look down for a second then back up. She smoothed her blondish, just-past-the-shoulder hair with the corner of what appeared to be junk mail, a ubiquitous credit-card offer or something. He could just make out the low APR rate on the envelope. She began walking toward the gate on his picket fence.

He went out to greet her.

"My mom said you needed me for dog sitting tomorrow. Am I still on?" she asked. "Hey, Mac!" The Bassett hound's tail was wagging furiously at Kelly from behind the screen door. He answered her with a delighted bay better suited for the onset of a fox hunt. Or a full moon. Kelly giggled. "He's the cutest, I swear," she said.

Again, the baby blues glancing briefly down, away from his. That was flirty. He knew because he felt it in his belly like he was in fucking 11th grade or something. He made a mental note to shave, have a shot of whiskey and

scratch his hairy, 44-year-old balls the minute he got back in the house.

"Yeah," he said, easily. "I have to head out early Saturday morning and I won't be back until after dinner. If you could walk him a couple of times that'd be great, thanks." He began to work a tentacle free of his keys, handing her a ring with a front-door spare with a red die attached to it, a promo gift from some casino on his last trip out to Vegas.

"Oooh, I might get lucky," she joked, giggling. A wisp of her hair blew in the wind, adhering to the light layer of clear gloss on the ripe petal of her bottom lip. He imagined sucking it. She unstuck it with a curled middle finger, losing her grip on the mail for a moment. An avalanche of envelopes tumbled to the sidewalk. They bent down together to retrieve them. Several hand-penned colored envelopes with her name were fanned out before his feet.

"Cards?" he said, gathering them up and handing them over to her.

"Yeah," she said. "Belated. I turned 18 last week." Then the eyes again, the blue a shade darker, the sun had disappeared behind a cloud. The butterflies followed (*Christ, what are you—a damn girl?*), then a pleasant, more familiar constriction in that neverland between

and balls.

"Well," he said,
"that is definitely a big

deal. Happy birthday."

"Thanks," she said. Direct stare, coy glance down, direct stare again. She licked her lips. "And don't worry. I won't let Mac mess the carpet."

He watched her for a moment as she ambled back to her family's gate—fresh and blonde, skinny jeans and sneakers, a slim, sexy god-damned girl-woman. When the hell did that happen? She turned before she headed up the walk. Jesus, his brain said again. Eighteen. That \$60 bottle of Redbreast was calling his name, screaming it even.

Saturday morning came soon enough. He was up before dawn—he saw her light on from the yard while Mac did his thing, allowing himself a few fleeting thoughts about what she was doing (Reading in her pajamas? Getting ready for cheer? Awake beneath the covers, long legs spread, fingers parting two swollen, blonde lips and the pink paradise in between, marveling at the wetness her young body could produce?) then pushed it all away. Eighteen. There were a dozen, hairless athletes—guys who'd just started shaving—vying for a piece of that. He ran his hand down his own trim midsection. Thank Christ he'd held up. Good genes and a solid running regimen. If the fantasy of being naked in front of Kelly or someone like her ever happened, he could proudly hold his cock in hand and be able to see her swallow it down unobstructed, her hands pressed flat

LIL' BUSH

HEIGHT: 5'2" **WEIGHT:** 96 lbs.
BRA SIZE: 32A **BORN:** Jan. 28
LIVES: Orlando, Florida

Heather's no shy teenager!

You might be able to tell by that cocked eyebrow and the devilish look in her eye that Heather is a naughty girl. You've already seen her lez it out with Ava in the Holiday '13 issue, and she's got more surprises coming. But we don't want to give away too much. Just rest assured that her lips—both pairs—will be put to very good use!

Heather's hairstyle gives her the best of both worlds.

We're talking about her pubic hairstyle, of course. As you can see, she has a fluffy triangle on top but is completely bald from her slit to her buttocks. Not even a stray hair can be found! "I wax my lips and asshole so they're always super smooth. I like for the parts that are going to be licked to be soft and hairless. But I also like having pubes, so I just keep them on top. I love to run my fingers through my bush. My fuzzy V looks like an arrowhead pointing you straight to the good stuff!" We'd take her anyway we could get her—bald, hairy, whatever. But she's nice enough to appease both baldie and bush lovers!

Win Heather's panties!

Send us a letter telling us why you should win Heather's panties. We'll pick a winner at random. Send letters to 18eighteen, 1629 NW 84th Ave, Miami, FL 33126. Send email to letters@18eighteen.com. Deadline is Feb. 21, 2014.

Heather is basically your teen dream girl.

She is a flexible hottie who likes rough sex, older men, sucking cock, masturbating and having her asshole licked (and occasionally fucked). Public sex and three-ways are nothing new to her. "I once fucked in a church." Neither is sex with girls. "Oh, I love girls! My fantasy is to have an all-girl four-some." She's open to just about every new experience, and has the kind of enthusiastic cock-lust that proves that she really loves fucking.

CRAVING OLDER COCK

HEIGHT: 5'7" **WEIGHT:** 115 lbs.
BRA SIZE: 34B **BORN:** May 5
LIVES: Henderson, Kentucky

Natalie has a strong urge to suck a much-older man's cock.

Her dad's friend is a lot more appealing than the guys her age. So when she ends up alone with him in her room, she jumps at the chance to slobber on his cock and show him that even an 18-year-old can give good head. Her tight, fresh body—with pointy, perky titties and a neat, little slit—is ready for the pleasure that a man in his 40s can provide. "I have friends who aren't into older guys, and I always tell them they don't know what they're missing. There's nothing like a silver fox eating your pussy!"

Natalie can go for a sex marathon!

Natalie's pussy starts creaming as her dad's friend churns her pussy like he was making butter. Her twat may be inexperienced, but she doesn't get worn out from a hard pounding. Her horniness lets her take it hard and deep and for a long time! "It has happened to me where I have to stop having sex because I'm too sensitive and worn out. But if I'm really horny and really into it I can go for more than an hour. My pussy just keeps juicing, and I just want to keep on cumming! Older guys are good at keeping up."

She has the confidence to seduce an older man.

"I think part of the reason why I'm the only one of my friends who's hooked up with older guys is because I go for it. I'm cute and funny and I know it. All the other girls my age are intimidated by older men, but at the end of the day...they're just men! What guy can say no to a pretty face and sweet smile? My sex skills are more advanced than my age so I'm not worried about being a bad lay either. There's more to gain than lose, like an experienced cock making you cum!"

LET'S HEAR IT FROM THE BOYS

Continued from page 42

against his taut belly.

Oh, fuck off....he told himself and his stiffening cock. He grabbed another cup of coffee and headed to his truck. He needed to be on the job site early today. No bullshit. It would be a long day. And it was....

He came in the side door and glanced at the stove clock as he threw his keys in the basket: 10:37 p.m. Thirteen-plus hours, and on a damn Saturday, too. Oh well, overtime would be sweet. He thought about eating for a minute, and then noticed Mac wasn't around. He was either sleeping on the couch or next-door with Kelly, lucky dog. But wait—a weird glow in the living room.

Mac was indeed sleeping in his favorite groove on the sofa, which was cozier

than usual. A roaring fire was alive at the hearth, casting orange and pink flickers over everything in the room, making it look more inviting than usual. As was Kelly, who was seating on the floor next to the coffee table.

"Hi, Mark," she said. He'd never heard her say his first name. It surprised him that she knew it.

He stood there in the doorway, his mouth an open cave, a "For Rent" sign for flies.

"Mac's been walked. And I'm a sucky cook but there's a pepperoni pizza in the oven. Obviously, I don't drink, but I've seen this in your liquor cabinet..." She was being generous, he had an open wooden cart, a dusty, old thing he built himself two decades ago, that served this purpose in his den. "But over the years I noticed this bottle is the only one that ever looked used." She giggled, her hand gesturing to the Redbreast. "After a long day of work I figured you might want a drink or two."

She had no fucking idea. But that would have to wait. She stood and came toward him, inside his personal space. He could smell her perfume or shampoo or something, a small grapefruity fog amid the smell of the fire, and then her lips were against his—soft and new and then a hot tongue. His arms closed around her tiny 5'3" frame. He could feel the softness of her small, upright breasts crushing against his chest as he pulled her upward, and her legs came around his waist. She couldn't have weighed more than maybe 100, 110 pounds max. Her round ass cheeks fit neatly into each of his hands. And if she was 18, his cock had regressed to 17, pressing uncomfortably against his zipper. He'd push through the pain. He wasn't moving his hands for a million bucks. She groaned against his mouth as he nibbled her lower lip, breathing hot and hard, then

broke the kiss.

"Mark, I..." she trailed off. Her eyes looked almost pained. Half woman, filled with want; half girl, still nervous, wondering if she'd gone over the line. It was adorable.

"Kelly, it's fine. Really. In fact, it's amazing! You're...you're perfect," he heard himself say. Who was this sensible, reassuring guy? All his past girlfriends would surely have loved to have met him.

"I want you so, so bad," she said, putting her feet on the floor, walking backward toward the sofa where Mac was about to be summarily evicted. She held his hand and with the other reached up and peeled down one lacy, cotton strap of her camisole tank. It was white with small roses all over. Her collarbone begged for his tongue as she lay back. He gave it what it wanted, painting her neck with his tongue-biting gently, licking, reveling as her young body, those hips, pressed against his cock with longing and animal responsiveness.

"My cunny," she whispered shyly, cheeks flushed—oooooh fuck, she's talking about her pussy, his cock said, coming dangerously close to acting more 17 than he cared to consider—"it's very, very wet."

He eased back, was about to query as to whether she'd be keen to a closer inspection, and she undid the button and short fly on those skinny jeans, wriggling beneath him, easing them down, revealing a flat, lovely belly and gently protruding pelvic bones and downy invisible fuzz on her perfect unblemished skin catching light in the fire's glow. Her panties were pink—somewhere between pastel and bubble-gum, he decided, sure they would smell as sweet, with gentle lace edging, like her top. He could see the gentle rise of her mound and, between her slightly open thighs, the spreading wetness darkening the cotton that pressed against her.

He smiled. She smiled back, lying there with her blonde hair fanned out on a couch cushion. Her nipples were pointy, visible beneath her tank, her breasts near flat. He bent his head and her hands sunk into his hair, he wasn't sure if she was going to hold him back—her body was tense, nervous—but she let him.

...Her young body... pressed against his cock...

Check out Sofie's hot body! She got it from years of being a cheerleader.

"I was a cheerleader, on the dance team, did gymnastics and played volleyball. I've always been very active and it's helped to keep me in good shape." No kidding! Not to mention, being a cheerleader also introduced her to some kinky sexual experiences. "At cheer camp in the dorms at the University of Houston myself and two other captains played truth or dare. It got a little wild, and we ended up all naked, making out and feeling up on one another. That was my first sexual experience with girls. Now that I think of it, we probably just played truth or dare as an excuse to fool around with each other. But I don't need excuses anymore. These days, if I'm attracted to someone I just go for them."

Sofie is good at spreading..

If you need an example, the spread shot in the upper left corner of page 64 is perfection. Sofie's pussy and asshole are totally hairless. Her hole looks tight, pink and inviting and that little clit and her petite labia are oh, so suckable. It's like her pussy is right in your face, waiting for your tongue to snake into her tight tunnel and taste the tangy goodness of her teenage juices.

What's the wildest thing you've done?

"My partner and I had sex in his truck. I was on the seat and he was standing in the doorway fucking me in front of a gas station while a friend changed his oil. People even walked by! We tried to hide it, but they probably noticed. I liked that, and I want to try more exciting things. Like, I've never been with two guys at one time and that's something I want to experience. I've also wanted to try role-playing as the naughty babysitter. Older men are sexy, and the idea of fucking a husband while his wife is away or sleeping after I'd teased him for months is such a turn-on."

Chloe plays up the farmgirl fantasy nicely.

The hat, those overalls, the perfectly tanned body...we just can't get enough of Chloe in this farmgirl get-up. Funny enough, Chloe really did grow up on a farm! "I'm from the Midwest, and my grandparents own a farm. I've spent lots of time on them, especially as a kid. I even used to milk the cows! I lost my virginity in their barn. There was hay all over my ass and in my hair when we were done. How is that for a farmgirl?"

HEIGHT: 5'5" **WEIGHT:** 112 lbs.
BRA SIZE: 34B **BORN:** May 17
LIVES: St. Louis, Missouri

We've seen some lovely pussies, but Chloe's just might take the cake.

Her backdoor pucker is pretty nice, too! "Is it weird that I look at my pussy and butt-hole in the mirror all the time? I thought all girls did that, but none of my friends would admit to it. I just like to know what's going on down there, you know? I think I have a nice pussy and butt-hole. Plus, I like to check to make sure I get all the hair when I shave. Sometimes I'll watch myself in the mirror when I masturbate. I scoot up really close to my full-length mirror and watch my finger go in and out of my pussy. I love seeing how my pussy gets wetter and wetter every minute."

LET'S HEAR IT FROM THE BOYS

Continued from page 60

He kissed her through her panties at first, mouth pressing, awaiting response, then pulled them to the side, revealing a tiny blonde pouf, darkened by wetness at the center, concealing a lovely pink flower. She smelled like grapefruit here, as well. Perfume? Body scents? He didn't care. She tasted like 18-year-old sugar, moaning quietly, pussy grinding against his hungry mouth as his tongue dug deep for her essence, as his lips closed around her clit, sucking gently, as she exploded in his mouth, filling his ears with her kittenish mewling and the rest of his senses with the beautiful, sweet sensations of her fresh, teenage girl parts.

He eased two fingers up inside her and her still-sensitive body bucked, her tunnel snapping tight around them. His cock convulsed in his jeans. "Are you ready for me, honey?"

"Yes," she whispered, and he eased her panties down, eyes on hers, searching for any sign that she didn't want to. There was none. She spread her legs slightly, reassuring him, watching as he stood, undid his jeans, pupils widening as he pulled it out; eight inches of thick, hard-as-a-fucking-rock-about-to-fuck-an-18-year-old man-meat. A pearl of pre-cum glistened at the purple tip. She licked her lips, nodding slightly, and he placed a hand on the couch and bent to bring it to her mouth, shuddering as her eyes closed, her tongue emerged and she lapped it—slowly, with relish—from the head.

He would fuck her first, but it gave him ideas about how—if she decided to stick around or, dare he dream, come back—they might spend future sexual encounters.

He laid on top of her, enjoying the feel of her silky thighs rising around his legs, hips, waist, even her dainty heels on the backs of his legs. He loved the slippery sensation of her pussy, still convulsive, against his throbbing cock, and most of all he loved the one-two punch of her eyes rolling back in her head and her twat tightly taking hold of his sword as he sheathed it up inside her, slow and

Sometimes Ava has a little bit of penis envy.

She's locked out of the house and has to go to the bathroom really bad. Being a girl, she has to go through a bit more trouble to pee than a guy. "Guys can just whip out their dick and pee anywhere! They're lucky. Girls have to pull their bottoms all the way down, find a hidden place to squat and worry about not peeing on their shoes!"

HEIGHT: 5'2" **WEIGHT:** 102 lbs.
BRA SIZE: 32A **BORN:** January 5
LIVES: Phoenix, Arizona

So what do you do when you have to pee and there's no bathroom?

"I suck it up and pop a squat! And I check very carefully to make sure there's no one around to see me. One time I peed in front of a bum sleeping in the bushes!"

Some guys like it when girls pee.

"Oh, I know! Plenty of guys have asked me if they can watch. Some even ask me for photos or videos of me peeing. Hey, whatever gets you off!" Ava actually did pee during this shoot (you didn't think we'd make her hold it, did you?). Unfortunately we can't run those photos in the mag, but you can see them online at 18eighteen.com!

deep and most definitely unlike any of the boys she may or may not have had previous.

If this wasn't actually her first time, she was going to choose to remember it that way, he was determined to make that so.

He moved slow, snakey, taking her through the gears—first: where his cock plumbed the depths, pausing for a beat before moving back out and then in again. No rush, baby. I am fucking you. I am here for you, not me, it said. Then second, allowing her to find her own rhythm, she began to push back, raising hips, biting his neck, moaning into his mouth as they kissed and fucked, and the honey from her cunny began to thoroughly coat his balls. Damn, that felt good.

"Fuck," she whisper-moaned against his ear, "I have been thinking about this for ages," she cooed. "I have thought about your cock in me, I knew it would be big, mmm. God, fuck me harder!"

He obliged, marveled at how she eased him up and off and over, climbing on top. He slid her tank up over her breasts, watching them move as she got up on his dick and began working her body over him like a dancer. He helped her with the lift, his hands on her waist. She was lighter than air, wetter than fuck and oh God, she was touching her clit. She was making herself cum. "Oh, Mark!" she screamed, and there she went, arching her gorgeous back, blonde hair cascading like a flaxen waterfall. He eased her up and the fountain of cream gurgled, the first shot catching in the silken blonde of her box, the rest painting her soft inner thighs.

They stared at one another and he noticed the reflection of the fire—actual—captured in the blue of her eyes. She eased her pretty head down on his chest, her hand playing in the bit of hair. There's some grey, but he didn't think she minded. He kissed her head. He felt lucky. And kind of impressed he had it in him after 13-plus hours on the job. He wondered if he'd ever get the chance again.

And he was more than ready for that whiskey.

Nurse Chloe knows how to make you feel better.

She lets you suckle her tiny, little tits then offers up her warm mouth and wet pussy to relieve your aching balls. She lets you fuck her tight coochie till her girl-cream is spread all over her pussy and ass. Then she sticks out her tongue to taste your cum. If your load is big enough, she knows she's succeeded. If not, then she goes right back to work on your cock. "Nothing is better than a guy giving me his big, juicy load. The bigger, the better!"

**Whose fantasy
is really being
fulfilled here?**

Is it Chloe's? She gets to bang a well-hung stud. Or is it the guy, who gets to fuck a hot, tight piece of ass like Chloe? On second thought, who cares, as long as your fantasy is fulfilled. Chloe's flat chest, and stuffed, bald twat will do the trick.

HEIGHT: 5'5" **WEIGHT:** 105 lbs.
BRA SIZE: 32A **BORN:** May 10
LIVES: Phoenix, Arizona

Never underestimate the wild fucking power of a petite girl!

Chloe may be tiny, but she loves the pounding this big dick gives her. Her brows furrow as this stud rhythmically drills her pussy and rubs her clit. After getting her juice all over his fingers he shoves a digit in her mouth so she can taste just how horny she is. Her pussy is glistening with wetness, and soon her face is too as a huge wad is unloaded all over her pretty mouth.
